## CALL FOR PAPERS AND PROGRAM SUGGESTIONS

The 1967 annual meeting of the American Cleft Palate Association will be held in Chicago, April 13, 14 and 15, 1967, at the Palmer House. To offer you an excellent program it is imperative that we ask your participation in the meeting by either submitting a paper personally or by contacting potential contributors to urge that they submit an abstract for consideration.

Proposed papers should be submitted in the form of a full page abstract with complete title, names of all authors, institutional affiliation and time required for presentation. The need for any audiovisual equipment should be specified. A separate film forum will be included in next year's program.

The deadline for abstracts is January 15, 1967. However, your early submission of abstracts of proposed papers and films will be of inestimable help in the development of an excellent program.

All the material should be sent to the Program Chairman, Dr. John W. Curtin, 310 South Michigan Avenue, Chicago, Illinois.
