**GENERAL INFORMATION FOR SUBSCRIBERS**

*The Cleft Palate Journal* is published quarterly in January, April, July, and October. Manuscripts and related correspondence should be addressed to Robert J. Shprintzen, Ph.D., Editor, *The Cleft Palate Journal*, Center for Craniofacial Disorders, Montefiore Medical Center, 111 East 210th Street, Bronx, NY 10467. More detailed Instructions for Authors are found inside the back cover.

Material contained in the *Journal* may be reproduced for educational purposes provided that both the author(s) and the *Journal* are appropriately recognized; otherwise, duplication is not permitted. No articles, reports, or portions thereof may be published in books, journals, magazines, or any other print form without written permission from the authors and from the *Journal*.

The subscription rates effective January, 1989 are: individual, \$60.00 and institutions, \$90.00 (U.S. funds) per calendar year for both U.S. and foreign subscribers. There is an optional \$10.00 surcharge for airmail delivery overseas. Single copies are available at \$15.00 per issue.

Bound copies of the current volume will be available in early 1990 to subscribers only. The volumes will be hard-bound in black buckram, and the *Journal* name, volume number, and year of issue will be stamped in gold on the spine. Orders must be received by the Executive Director before December 1, 1989. The subscription price is \$90.00; add \$20.00 for orders outside the United States.

Subscriptions, changes of address, orders for back copies, and business correspondence should be addressed to Nancy C. Smythe, Executive Director, American Cleft Palate-Craniofacial Association, 1218 Grandview Ave, University of Pittsburgh, Pittsburgh, Pennsylvania 15211. Notice of address changes should be sent at least one month in advance. Subscribers and ACPA members must notify the Post Office that they will guarantee postage for the forwarding of undelivered copies. Other claims for undelivered copies must be filed within one month of the expiration of the subscription year.

# AMERICAN CLEFT PALATE–CRANIOFACIAL ASSOCIATION MEMBERSHIP INFORMATION

The *Cleft Palate Journal* is a publication of the American Cleft Palate–Craniofacial Association (ACPA). Organized in 1943, ACPA is an international interdisciplinary organization representing over 1900 professionals. ACPA's mission is to foster:

1. Acquisition and dissemination of knowledge about growth, development, diagnosis, and treatment of individuals with craniofacial anomalies
2. Optimal clinical services for individuals with craniofacial anomalies
3. Communication and cooperation among professionals from all disciplines interested in craniofacial anomalies
4. Public understanding of and support for the needs of individuals with craniofacial anomalies.

Professionals interested in the area of habilitation and/or research concerned with the study and treatment of cleft palate and related craniofacial anomalies are invited to apply for membership. Included in the membership fee is a subscription to the *Cleft Palate Journal* as well as a quarterly newsletter, other informational mailings, and discount registration fees to the annual scientific meeting.
